I-120 DES: 12-2006 **ARIZONA DEPARTMENT OF ECONOMIC SECURITY** Page 1

(DES)

USER AFFIRMATION STATEMENT

Prior to receiving initial system access, DES employees, or contractors that use DES equipment or a DES network, or are housed in a DES office will read, sign, and send in this I120 User Affirmation Statement to their respective security contact. Also within 21 days each user will complete the DES/ASU Initial Training CBT or its equivalent training, please keep a copy of your course completion certificate (contact your security representative for more information on how to complete the ASU SFNRS CBT). Each user will also read the security documents referenced in this document, which are available in hard copy form or via the DES intranet, within 21 days of being granted system access.

On an annual basis, each DES user is required to complete the Recertification Security Awareness training CBT (DES/ASU001). After completing the recertification CBT, this "User Affirmation Statement" will appear for the user to read. After reading this form, the user will affirm to the DES requirements by clicking the appropriate button. Confirmation of electronically accepting this document will be automatically saved.
WHEN ASKED TO DO SO, the user will print out this affirmation statement, read the document, sign the document and send the signed document to the respective division or program data security office.

I understand that all personnel who have access to DES data are bound by applicable federal and state laws and DES policies and are responsible for DES data. I agree to abide by all applicable federal and state laws and DES policies.

- I will protect all data, in any format (e.g. electronic, paper, etc.), while in my possession or use, to the best of my abilities.
- I will ensure that if it is necessary and allowed, that data will be destroyed by complying with all applicable laws, statutes, policies, and directives.
- In relation to my responsibilities regarding the proprietary rights of the authors of computer software utilized or provided by DES, I recognize that DES pays to license the use of computer software and does not own this software or its related documentation and, unless authorized by the software developer and DES IT management, does not have the right to reproduce it. I must use software in accordance with the license agreement, including not making unauthorized copies. I must report knowledge of any misuse of software or related documentation protected under copyright laws to my manager/supervisor, the Division or Program Security Analyst, or the Information Security Administration.
- When necessary to use another organization's information system, I agree to adhere to that organization's policies and procedures.

Some, but not all, prohibited actions are listed below:

1. Revealing DES data to any persons or persons outside or within the Department of Economic Security who have not been specifically authorized to receive such data.
2. Attempting or achieving access to DES data not related to my job duties.
3. Entering, altering or erasing DES data for direct OR indirect personal gain or advantage.
4. Entering, altering or erasing DES data maliciously or in violation for real or imagined abuse, for personal amusement or any other unauthorized or improper use.
5. Using DES terminals, printers and other equipment for other than work related or DES approved acceptable uses.
6. Using another person's personal DES logon ids, user ids or passwords.
7. Revealing my personal DES logon ids, user ids or passwords to another person.
8. Asking another user to reveal his/her personal DES logon ids, user ids or passwords.

Reference Material: NOTE: If you wish to obtain additional information on security literature, the Information Security Administration has available a booklet that contains a summary of the Computer Security Act 1987, a summary of the HIPAA Privacy Rule, a summary of applicable DES Policies, and the criminal statutes ARS 41-1959 Confidential Information, ARS 38-448 access to Internet pornography prohibited and ARS 13-2316 Computer Tampering. This Booklet is available on the DES Intranet and can be obtained from the DES Information Security Administration (ISA) at 602-254-2779 and all DES Division and Program Data Security Officers.

A violation of these requirements or any misuse of DES property including computer programs, equipment, and data, may result in withdrawal of individual access privileges and prosecution in accordance with any applicable provision of law including ARS 13-2316.

My signature below confirms that I have read this User Affirmation Statement and accept responsibility for adhering to all applicable laws, DES policies and the affirmations listed in this document.
